

## Company profile

### Who we are and What we do

We are a company founded in 1987, and now in its second generation. We personally oversee interior design, and directly manage the selection, and the sale of furniture produced by us and by the major Italian designer brands.

### Principal Markets

Hong Kong, Singapore, USA, Canada, The Middle East, Germany, Italy, Austria, Great Britain, Switzerland, Greece, Holland, Belgium, Luxemburg, Norway, Finland, Sweden, Spain, Poland, The Baltics.

### Principal Partners

Arclinea, Baxter, B&B Italia, Bonaldo, Cappellini, Ceccotti, Cesar, Dedon, Edra, Emu, Glas Italia, Giorgetti, Jesse, Kettal, Living Divani, Gervasoni, Maxalto, MDF Italia, Meridiani, Minotti, Moroso, Paola Lenti, Roda, Tisettanta, Zanotta.

### Testimonial Customers

Our testimonial customers are private clients, also the interior designers that select the furnishings on behalf of their customers, as well as the department stores, hotels, and restaurants.

### Services

We seek to be always competitive in our prices, and we provide immediate quotes for furnishings manufactured by the world's leading designers, offering the best advice in their selections. In preparing our estimates, we provide technical details with regard to the choice of materials, images of potential fabrics or leathers available for the upholstery. We deliver to major countries in the world, and, when requested, we offer a comprehensive service, in addition to the supply and transportation of the furnishings, inclusive of the duties and taxes at destination.

### Why choose our company

From the quote to the point of delivery, we are in complete synergy with our customer and we take an exceptional amount of care in every detail regarding the purchase process. During this process, we carry out a number of checks, up until the most important, which is the verification of the goods prior to shipment. Our main objective is the complete satisfaction of our client, which we achieve in most cases.

### Corporate turnover

2012 - € 2.425.121,72

2011 - € 2.055.980,30

2010 - € 2.019.329,27
